Forecast For Northwest England
Issued by Met Office Exeter
at 1600 on Monday 19 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Remaining dry and sunny through Monday evening. Warm overnight.

This Evening and Tonight:
For most it will be a sunny evening with any cloud clearing. Skies remaining clear overnight, allowing for some fog to form in prone areas. Another warm night for most. Minimum temperature 13 deg C (55 deg F).

Tuesday:
Another fine and clear day, with plenty of sunshine. Chance of clouds bubbling up in the afternoon later, possibly bringing heavy, but isolated, showers. Feeling very warm, hot in places. Maximum temperature 29 deg C (84 deg F).

Outlook for Wednesday to Friday:
Very warm to hot weather will continue through this period, with plenty of sunshine. However, a risk of showers, some heavy, developing each afternoon. Turning cloudier on Friday.
